Echoes from Essex

Echoes from Essex

Across the county we hear them calling  
From every corner of this fair land,  
The women who built this world of ours  
The women who built this world  
With science, technology,  
medicine, engineering,  
Maths  
With courage and fortitude,  
endurance and attitude

We'll follow their echoes from Essex  
We're proud of their triumphs in Essex  
We'll fight like the women of Essex  
To build a new dawn

We'll follow their echoes from Essex  
We're proud of their triumphs in Essex  
We'll fight like the women of Essex  
We'll fight like the women of Essex  
Essex  
To build a new dawn
