Sarah's song

Let's Build A Plane For Amy

Resource Pack

Created and written by Frances Lynch in collaboration
with Electrical Engineer, Sarah Cooper

SONG WORDS ONLY

Let's Build A Plane For Amy

It's Amy Johnson!!

Chorus

Let's build a plane for Amy
Amy Johnson
With a clatter and a bang
And a whizz and a pop!
We'll work work work until we drop
Let's build a plane for Amy
Amy Johnson!

Verse 1

She can fly in circles
She can fly in circles
She can fly in squares
She can fly in squares
She can fly upside down,
She can fly upside down,
Spinning through the air
Spinning through the air
Whoop, Whoosh

Chorus

Let's build a plane for Amy
Amy Johnson
With a clatter and a bang
And a whizz and a pop!
We'll work work work until we drop
Let's build a plane for Amy
Amy Johnson!

Verse 2

She can fix engines
She can fix engines
She can fix wings
She can fix wings
She can fix nuts and bolts
She can fix nuts and bolts
Turning them around
Turning them around
Bang Bang Bang Bang
Cree cree cree!

Chorus

Let's build a plane for Amy
Amy Johnson
With a clatter and a bang
And a whizz and a pop!
We'll work work work until we drop
Let's build a plane for Amy
Amy Johnson!

Verse 3

She can feel excited
She can feel excited
She can feel brave
She can feel brave
She can feel over the moon
She can feel over the moon
Landing on the ground
Landing on the ground
Here she comes!!
Hurray!!!! (clapping) Hurray!!!

Chorus

Let's build a plane for Amy
Amy Johnson
With a clatter and a bang
And a whizz and a pop!
We'll work work work until we drop
Let's build a plane for Amy
Amy Johnson!
